

V100 AIR END

Power [kW]

— 7 bar g — 10 bar g

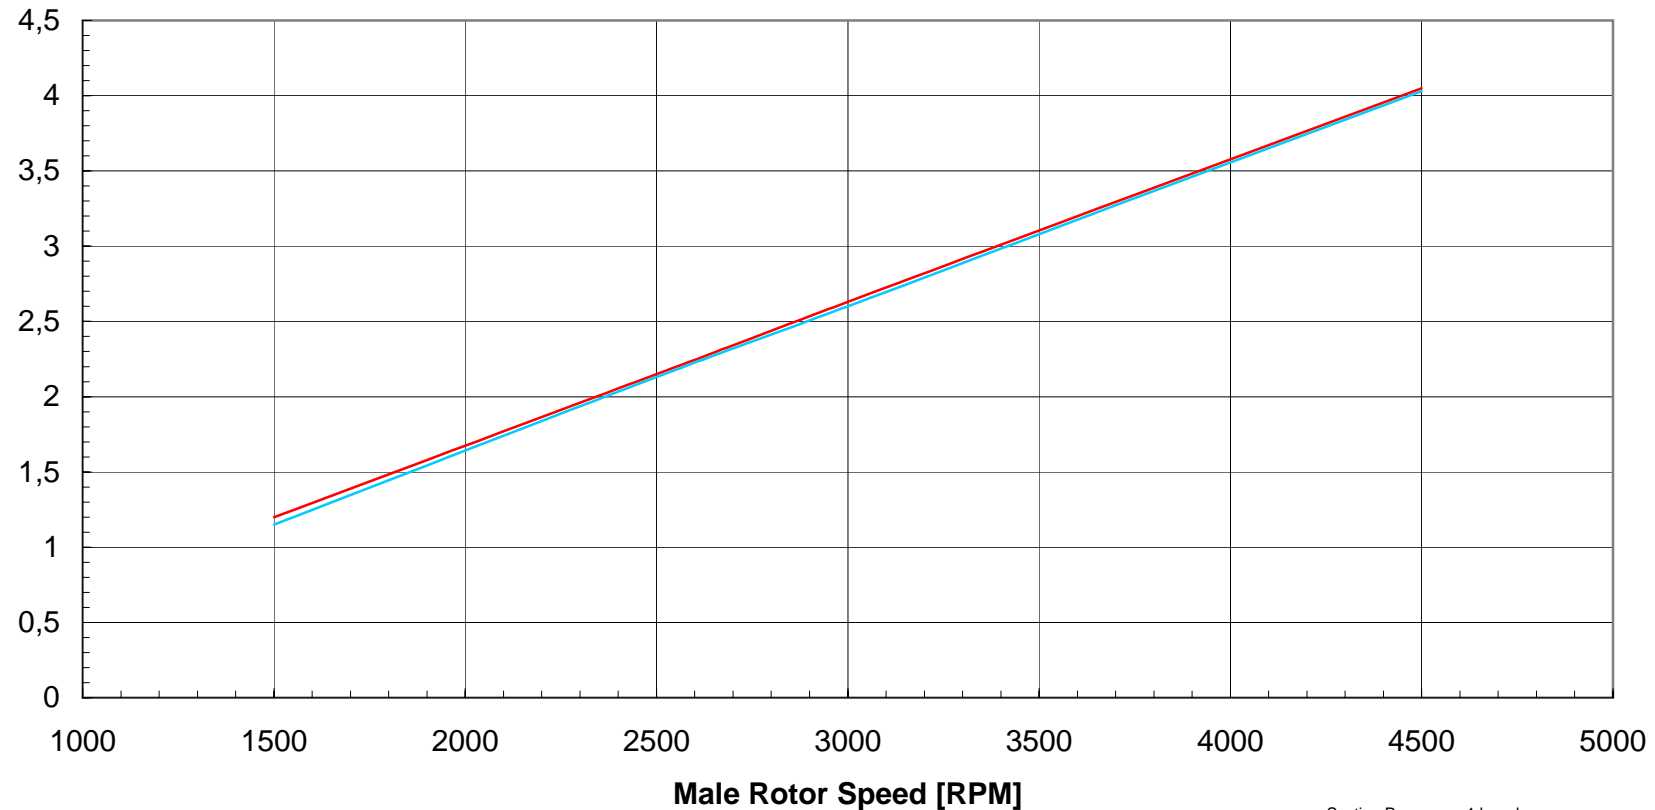

Suction Pressure: 1 bar abs
Suction Temperature: 20°C
Relative Humidity: 60%

Air flow rate related to suction condition according
to ISO 1217 annex C 1996

V100 AIR END

Capacity [m³/min]

— 7 bar g — 10 bar g

Suction Pressure: 1 bar abs
Suction Temperature: 20°C
Relative Humidity: 60%

Air flow rate related to suction condition according to
ISO 1217 annex C 1996
